The Key Milestones in this obsolescence process are:

1. Formal Notification of Obsolescence July 1st, 2019
2. Alternative Product (New 4” Badger) available August 26th, 2019
3. Orders for these products are no longer accepted as of December 1st, 2020
4. Replacement parts are available for a 4-year support period, until December 1st, 2024

Support Part Option(s):

StoneAge will no longer support items for the above assembly after the date afore mentioned. During this replacement support window ending December 1st, 2024, parts may have a significant lead time and are subject to price change; please call for a quote to ensure proper pricing and to obtain lead time estimations.

Alternative Product Option(s):

In leu of the recently obsoleted product, we recommend the new drilled head option(s).
